Small Business Financial Coaching Opportunities

Is your Business and/or Personal Life faced with:

- **FINANCIAL ISSUES – FAILING BUDGETS**
 - **CASH FLOW PROBLEMS – CREDIT CARD DEBT**
 - **PRESSING SUPPLIERS – LACK OF CREDIT**
-

Small businesses have the same issues as families – pressing financial demands, limited funds, and ineffective planning or budgeting. Frequently, the Small Business Owner does not know where to turn.

Small Business, across Western New York, now has a resource to help them with their financial problems.

With trained and certified financial counselors, CCCS of Buffalo is making its service available to ALL Small Business Owners across Western New York.

CCCS of Buffalo, the area's only non-profit financial counseling program, has over 50 years of experience servicing local families and individuals.

From financial and budgeting assistance to debt repayment plans to local financial literacy programs, anyone can benefit from these services.

Before your financial problems overwhelm you, call or visit CCCS of Buffalo. We can untangle the most difficult financial situations. Our services are no-cost or low cost, but we do not turn anyone away if you can't afford our assistance.
